### Extra Ticketing Information

Weekend tickets are on special offer and some are cheaper than their equivalent Sunday-only tickets until 30th January.

General Admission Steel is a standing terrace on Stavelot corner, but unlike Bronze General Admission, you are limited to the Steel area only until after the F1 events finish each day.

A free afternoon pitwalk between 3.30pm-5.30pm and drivers' autograph signing is offered for weekend ticket holders on the Thursday (subject to confirmation).

### Child Tickets

Child tickets are valid for persons aged 15 and under. Children aged 5 and under are granted free entry but must sit on their parent's lap in a grandstand unless a separate child ticket is purchased. Identification may be required for children on the day.

### Disabled Tickets

A disabled podium is available in front of the Silver 2 grandstand. A disabled spectator and one carer can each enter for the price of a Bronze General Admission ticket - please select the Silver 2 disabled ticket from the ticket list. A disability card may be required both at the time of booking and on arrival at the circuit.
