Extra Ticketing Information

Monaco sell tickets as individual days so for the full weekend please add a ticket for each day i.e. Thursday, Saturday, and Sunday (Friday is no-race-day in Monaco). Thursday is a roving seat within the grandstands so there are no reserved seat numbers. Grandstands K and M (K-M) and N, O, and P (N-O-P) have shared access on the Thursday only. See below for the free Thursday ticket offer!

'Low' grandstand seating is located in the first rows of the grandstand, which is closer to the track but safety equipment such as fencing may reduce visibility. All others rows are classified as 'High'. Tribunes L High and T High have views into certain areas of the pits.

General Admission Rocher is a hillside viewing area and the natural rough terrain may not suit all spectators. We recommend arriving early in Rocher to get the best viewing experience as the area can become crowded for the Sunday race.

A free pit walk is offered on Friday between 2.30pm and 6.00pm for Saturday and/or Sunday grandstand and Sunday Rocher ticketholders.

Free Thursday Grandstand Ticket Special Offer If you buy an adult ticket for the Thursday, Saturday and Sunday in the same grandstand in one order, you will receive the Thursday ticket free of charge. Discount applied at the checkout.

Child Tickets

Children aged between 6 to 15 years old are entitled to free entrance on Thursday (a ticket is still required) and discounted ticket prices on the Saturday and Sunday.

The organisers ask that spectators do not bring children aged 5 and under because of the high noise levels.

Identification may be required on the day for child ticket entry.

Disabled Tickets

Disabled viewing is handled directly by a Monaco disability organisation. Please contact us if you require more information.
